STRUGGLING DISTRICT

Definition and Guidelines

Definition: A struggling district is any Area 28 district that has not participated in a two-day Area Assembly due to being a dark district, its remoteness, newness, or having insufficient funds to send a DCM or District Chairperson, or alternates to participate in assembly activities and bring its district's voice to the Area.

Process for applying for funds:

- A. All requests for assistance funds should be mailed or E-mailed on a completed form to the Area Chairperson. The form should be received by the Area Chair by the 1st of the month in which the assembly is to be held. The Chairperson will respond to the request by phone or Email by the 7th of the month.
- B. The Area Chairperson will consult with the Delegate, Alternate Delegate, Treasurer, Secretary, and Finance Committee Chairperson before making a decision to grant financial assistance.
- C. The "subsidy" form for financial assistance will be forwarded to the Treasurer. The following criteria is to be used in determining whether to grant the request or not:
 1. Districts must show a demonstrated need for the assistance and show that the district and / or groups are attempting to contribute. If little or no contribution is being made by the district, explain the circumstances.
 2. Districts that have not used the funds before will be given first priority.
 3. Districts that have been under-represented in the past will be given priority.
 4. If the district is dark, then a request can be made by a GSR or interested group member.
 5. Every effort will be made to assist all applicants in whatever way possible even if direct funding is not available.
- D. The amount of funds available for each assembly is \$500. If the amount is not used fully for the Spring Assembly, then the remainder may be used in May for the Post Conference Forum (Delegate's Report). If any remains it may be carried forward to the Fall Assembly. Any remainder for the year lapses. Total: \$1000 per year.
- E. Receipts for gas, meal ticket, and lodging shall be presented to the treasurer on a completed expense report by the end of the assembly for reimbursement by check. All forms and receipts shall be retained with the assistance application form.
- F. The Finance Committee Chairperson and committee shall review and give a full report on the use of the Struggling District Fund at the Fall Assembly and any anticipated activity to date. At that time they may make recommendations for increases or decreases in the amount of the fund.
